Fill in the above boxes with the coachee's APEST™ Assessment results. For the ministry styles that ranked 1st or 2nd, have the coachee refer to the corresponding page in the APEST™ Assessment Handbook. Then lead the coaching discussion as follows:

1. "Please read the DESCRIPTION section. In what ways does this describe you? Can you share an example?"
2. "Please read the CHARACTERISTICS section. Which of these points describes the ministry style with which you currently serve? Can you share an example?"
3. "Please read the IMPACT section. How could understanding this ministry style help you to serve more effectively?"

Key Question: "How can you develop and leverage your ministry styles(s) to more effectively fulfill Gods calling for your life?"

Encourage the coachee to discuss their APEST™ results and related thoughts with their pastor and others with whom they serve.
